EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: Claims 1, 4, 6 and 38-42 are canceled. Claim 8 has been amended to be rewritten in independent form.

8. A system for improving the performance of a plurality of peripheral devices, comprising:

a first peripheral device comprising a first software component and having a first functionality; and

a second peripheral device coupled to the first peripheral device via a network, the second peripheral device comprising a second software component and having a second functionality, the second peripheral device being coupled to the first peripheral device without being directly connected to an intermediate computing device positioned along the communication path between the peripheral devices, the first and second peripheral devices together performing a third functionality in addition to the first and second functionalities;

wherein the first peripheral device comprises a peripheral device display on which can be presented a graphical user interface that presents the third functionality to a user for selection-

wherein the first software component of the first peripheral device and the second software component of the second peripheral device allow the first and second peripheral devices to exchange information over a network pertaining to the identity of the first peripheral device and the second peripheral device.

Response to Amendment

2. The Examiner acknowledges the Board of Appeal decision on 8/2/10. In view of the decision, claims 8-11 and 24-37 are allowed. Claims 1, 4, 6 and 38-42 are canceled.

Allowable Subject Matter

3. Claims 8-11 and 24-37 are allowed.
4. The following is an examiner's statement of reasons for allowance: The claims are allowed in view of the decision from the Board.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

5. Responses to this action should be submitted as per the options cited below: The United States Patent and Trademark Office requires most patent related correspondence to be: a) faxed to the Central Fax number (571-273-8300) b) hand carried or delivered to the Customer Service Window (located at the Randolph Building, 401 Dulany Street, Alexandria, VA 22314), c) mailed to the mailing address set forth in

37 CFR 1.1 (e.g., P.O. Box 1450, Alexandria, VA 22313-1450), or d) transmitted to the Office using the Office's Electronic Filing System.

Any inquiry concerning this communication or earlier communications for the examiner should be directed to NAMITHA PILLAI whose telephone number is (571) 272-4054. The examiner can normally be reached from 10:00 AM – 6:30 PM.

If attempts to reach the examiner by telephone are unsuccessful, Boris Pesin can be reached on (571) 272-4070.

All Internet e-mail communications will be made of record in the application file. PTO employees do not engage in Internet communications where there exists a possibility that sensitive information could be identified or exchanged unless the record includes a properly signed express waiver of the confidentiality requirements of 35 U.S.C. 122. This is more clearly set forth in the Interim Internet Usage Policy published in the Official Gazette of the Patent and Trademark on February 25, 1997 at 1195 OG 89.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the Group receptionist whose telephone number is (571) 272-2100.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
